Issue 5

9th October 2026

A huge congratulations to our group of Year 5 and Year 6 girls who took part in a football festival this week. We are incredibly proud to report that they came in second place! Well done to all the players for demonstrating fantastic resilience, perseverance, and teamwork throughout the tournament.

This week, all children from Year 1 through to Year 6 attended an important assembly focused on rail safety.

The children learned about the potential hazards around railways and the crucial importance of staying safe. We encourage you to ask your children what key tips they took away from the session.

With the autumnal weather having finally arrived, please ensure your child comes to school each day with a waterproof, hooded coat. Additionally, please send in a pair of wellington boots for your child to wear during outdoor play so they can enjoy the playground while staying dry and clean.

### Controlled Parking Zone (CPZ) Consultation

We received information today regarding a proposed Controlled Parking Zone (CPZ) that would affect many of the roads surrounding the school.

While we consider the implications of this information, we wanted to make sure you have the opportunity to share your views. You can have your say on the consultation here: <https://talk.hounslow.gov.uk/beavers-estate-proposed-cpz> As a school, we are particularly concerned about the impact this proposed scheme may have on our staff's ability to park near the school. We will review the details thoroughly and keep you updated as soon as we have further information.

If you would like to purchase second hand uniform, please visit the following site: <https://oldschooluniform.co.uk/>  
or contact Ms Moses by email [b.moses@beavers.hounslow.sch.uk](mailto:b.moses@beavers.hounslow.sch.uk) or on the school phone number.  
The school would be grateful for any unwanted uniform, especially smaller sizes.

A quick reminder that even though we are part of the School Streets scheme, permitted vehicles can still access Arundel Road during drop-off and pick-up times. For everyone's safety, please always use the pavements rather than walking in the road.

Additionally, please ensure your children wear helmets whenever they cycle or scoot to school.

# Nursery Carpet Appeal

Our Nursery is in need of a **new fitted carpet**, and we would love to hear from any parents or members of our community who have contacts within the carpet or flooring industry.

If you, or someone you know, may be able to **donate a carpet and fitting**, we would be incredibly grateful.

A new carpet would make such a difference to our Nursery children and provide a warm, comfortable and welcoming space for them to learn and play.

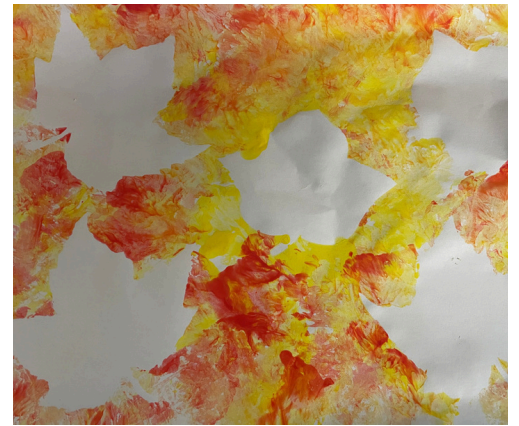

If you can help, please  
get in touch with the  
school office.

Reception started learning phonics this week and they had fun exploring art skills linked to the s, a, t, p sounds. Look at their spiral snakes, spaghetti snipping, apple printing and pointillism paintings!

Starlight Class put fantastic effort into their Autumn Harvest Art Silhouettes! This impressive piece is Penelope's original artwork, executed with wonderful skill and attention to detail.

On Thursday, October 8th, a team of Year 5 and 6 girls represented our school at the football festival hosted by Springwest Academy in Feltham. We are thrilled to share that they achieved an incredible 2nd place out of 12 competing schools! Every member of the team demonstrated outstanding teamwork, determination, and impressive skill on the pitch. A massive well done to all the girls for such a fantastic achievement—we are very proud of you!

KS1 and KS2 enjoyed a visit from Wessex Railway for an engaging assembly all about railway safety. The children learnt important safety messages, including staying behind the platform safety line, using crossings safely, staying alert and never going onto the tracks.

Thank you so much to our wonderful Nursery parents for joining us at the NHS Toothbrushing Workshop! A special thanks to Amanpreet for leading such an informative session.

The children explored the colour blue this week through a variety of engaging, hands-on activities! They loved hunting for blue objects in the classroom, painting, and designing collages with different blue textures. To wrap up the fun, everyone enjoyed decorating biscuits with blue icing. It was a fantastic week of creating, exploring, and celebrating everything blue!
