Issue 6

16th October 2026

We have sent an email today regarding the proposed Controlled Parking Zone (CPZ) around the school. We truly appreciate our neighbours' concerns regarding local parking, and we pride ourselves on being considerate neighbours ourselves. However, I have serious concerns about the implementation of this zone and what it could mean for our school and our

staff. Please see the separate email and respond to the consultation before November 1st; my hope is that the plans can be amended to offer exemptions for school staff and crucial visitors (such as therapists) to the school.

Year 4 enjoyed an educational trip to the Wetlands Centre this week, where they were fully immersed in the local nature and environment. We always strive to offer a rich range of experiences for our children; please make sure to check Arbor to see if you have any outstanding contributions for upcoming trips.

Today, I was treated to some fascinating insights into Year 5's work on space exploration, with children presenting their arguments on whether space exploration is worthwhile. It was very thought-provoking!

This week, we also enjoyed class assemblies from Blue Class, Jet Class, and Purple Class. A big well done to all the children for showing such confidence and courage in their presentations, and thank you to all the parents and carers who were able to attend.

Starlight Class had so much fun exploring the wildlife on their trip to the Wetland Centre.

Year 4 had a wonderful time visiting the Wetland Centre on Monday and Tuesday! The children loved discovering a wide variety of birds, visiting Pelican Creek to see the impressive pelicans, and meeting the otters up close. Their adventure also included the Wild Walk and the outdoor play areas.

The highlight of the trip was meeting Ava, the bird! The children were delighted by this special experience and thoroughly enjoyed every moment of their visit. It was a fun-filled and memorable adventure, full of exciting discoveries, learning, and happy memories for everyone!

To top it all off, Katie from the Wetland Centre joined the class to lead nature activities as they work toward becoming official Guardians of the Wild.

A huge thank you to all the parents who joined us for our Play and Talk workshop this week!

It was wonderful to see so many families in Nursery sharing special moments together. The children loved exploring and learning alongside their mums and dads through green-themed activities—making their own bracelets, using tongs to hunt for hidden objects, and practicing mark-making with chalk, crayons, and felt-tips.

Parents also had a valuable opportunity to chat with our speech and language therapist about supporting early communication and language development. Thank you for making it such a memorable and successful event!

Nursery Carpet Appeal

Our Nursery is in need of a **new fitted carpet**, and we would love to hear from any parents or members of our community who have contacts within the carpet or flooring industry.

If you, or someone you know, may be able to **donate a carpet and fitting**, we would be incredibly grateful.

A new carpet would make such a difference to our Nursery children and provide a warm, comfortable and welcoming space for them to learn and play.

If you can help, please
get in touch with the
school office.

DEADLINE

Year 1 had a brilliant time going on a bear hunt this week! Their adventures began with an outdoor hunt in the school field, followed by a lively re-enactment of the classic story. The children also got creative by making bear faces, drawing detailed story maps, and building their very own bear caves. It has been a week full of joy and hands-on learning!

ROAD SAFETY

for School Drop-Off and Pick-Up

**Let's work
together to keep
our children safe.**

Every child deserves a safe journey to and from school. By driving responsibly, you help reduce congestion, improve safety, and protect the environment around your school.

Guidelines for parents:

Please follow these simple steps to make school drop-off and pick-up safer for everyone:

- Only drive to school when necessary and walk or cycle part of the journey whenever possible.
- Never allow your child to exit the vehicle onto the road where they could be exposed to traffic and other dangers.
- Do not make U-turns near school gates or crossings as they put children at serious risk.
- Never park on school zigzag lines or double yellow lines.
- Do not block driveways, pavements, or resident bays.
- Avoid leaving your engine running while parked.
- Keep to the speed limit and drive slowly near the school.
- Always watch out for children walking, scooting, or cycling.
- Set a good example for your child and others.
