Dear Parents, Carers, Pupils and Staff,

As we reach the end of another school year, I would like to take this opportunity, on behalf of the Governing Board, to thank everyone who has contributed to making Beavers Community Primary School such a positive and successful place to learn and work.

To our Year 6 pupils, congratulations on all that you have achieved during your time at Beavers. You have been wonderful role models for the younger children and should be proud of your hard work, determination and achievements. As you move on to secondary school, we wish you every success and happiness in this exciting new chapter. Embrace the opportunities ahead, believe in yourselves, and continue to make us proud.

I would also like to extend my sincere thanks to all our parents and carers for your continued support throughout the year. Your involvement, encouragement and partnership with the school play a vital role in helping our children thrive, and we are extremely grateful for all you do.

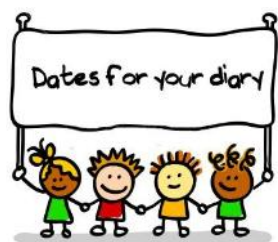

To our dedicated staff, thank you for your commitment, professionalism and hard work. The care, guidance and encouragement you provide every day make a real difference to the lives of our pupils. Your efforts often go far beyond the classroom and are greatly valued by governors, parents and pupils alike.

We would also like to recognise those members of staff who are leaving Beavers Community Primary School this summer. Thank you for your contribution to our school community and for the positive impact you have had on our children and families. We wish you every success and happiness in your future roles and endeavours.

Finally, I hope everyone has the opportunity to enjoy a well-earned break over the summer holiday. We look forward to welcoming pupils, families and staff back in September for another successful year. On behalf of the Governing Board, thank you once again for your support, hard work and dedication throughout the year.

We wish you all a safe, happy and relaxing summer.

Kind regards
Matt Durbin

When we crash-landed on an unknown planet we were met by these creatures. They decided we could stay and shared their lunch. They turned out to be pretty friendly. They roam around the planet as a pack, communicating using their antennae but also making bubbling noises.

Ife in Year 6, Katie in Year 5 and Fatima and George F in Year 4 have won prizes in the Chiswick Young People's Poetry Competition. Katie, with her poem, Veil of the Outer Dark, has won an extra award which will be presented at the ceremony in September.

Dear Teachers and Staff,
At Beavers Community Primary School

As we come to the end of our time at primary school and prepare to move on to secondary school, we want to say a huge thank you to every one of you.

From Reception through to Year 6, you all have supported, encouraged, and believed in us every step of the way. Thank you for your kindness, patience, and for making school a place where we could learn, grow, and make wonderful memories.

We will always remember our time here with a smile and will miss you all. Thank you for helping us become the person we are today.

With heartfelt thanks and best wishes,
From Eugene, Maria, Aizah, Oliver,
Abrish, Vlayn, Aarib, Wania, Elinor

Thank
You

We had a lovely thank you from some of our Year 6 children who have been with us since Reception. We wish all of Year 6 good luck in the future.

For our current Year 5 pupils; please note the secondary school open evenings will take place in September and October. Try to see as many schools as possible before making your final choice. More information will be published in September.

An exceptional school with a world of opportunities

Headteacher talks at 6.45pm and 7.30pm

It has been a truly wonderful week across the school. Our Nursery children had a blast with their Bubble Run, while the rest of the year groups took part in a high-energy Colour Run. The entire field was alive with colour, bubbles, and laughter. It was a joy to see the children having such an amazing time together.

The Nursery children had a fantastic time celebrating together at their class party! Thank you to all the parents for the delicious treats!

Hassan wrote this incredibly insightful and reflective poem on his time in Year 4. It is a good reminder that things do get better with time, hard work and determination. Good luck in Year 5 Hassan!

This Year by Hassan - Purple Class Y4

This year
Has gone as fast as a sports car,
Breaking the limit of how fast I can go,
It stopped when I found things tricky.

I tried my best to change my behaviour,
I studied at home for one hour and 45 minutes,
My tuition teacher believed in me
I was praying something would change.

Work was tough and confusing,
I felt like I would never achieve anything,
But I never gave up,
I ignored the bad talks.

Now I have achieved things,
My anxiety got lower
I hope this will keep going.

Jade Class have been busy learning cricket in PE this half-term. This week, they showed off their cricket skills by playing mini matches with the support of the Year 10 students, who are completing their work experience. It was wonderful to see everyone working together, demonstrating great teamwork, enthusiasm, and sportsmanship.
